

ED LEONARD

- Ed resides on Morningside Place with his wife, Mary and their two children, Thomas and Jessica. He has been a resident of Wanaque for 10 years.
- Ed is employed as a Database Administrator for the Great Atlantic and Pacific Tea Company (A&P).
- Ed is currently serving his 7th year on the Wanaque Board of Adjustment. Ed is a strong advocate of preserving the “Venezia House” as a single family home. Ed’s questioning of the director of the SOS women’s shelter during a zoning application in May 2007 has seriously impeded SOS’s attempts at converting the “Venezia House” into a shelter.
- Prior to moving to Wanaque, Ed worked for the Mayor of Jersey City, Bret Schundler. During this time he was extensively involved in the process to upgrade computer database systems and utilize modern mapping tools (GIS) to improve all operations of the city. Ed’s recommendation to consolidate certain services saved the city over \$1 Million.
- During this period, Ed also volunteered his time and talents at Ellis Island National Park and Liberty State Park.
- Ed is a Veteran, having served 6 years in the United States Navy. Ed’s son Tom is currently serving in the United States Army and is stationed at Fort Jackson in Columbia, SC.

Re-Elect Mayor Dan Mahler

Elect Councilman Dom Cortellessa – Elect Ed Leonard Councilman
